Note to File

Monday, August 26, 2024  
I received a call from Mr. Ray Porter regarding an event at Cranmore Mountain Lodge. Mr. Porter informed me that a wedding took place on Saturday, August 24, 2024, and that the noise from the event was disruptive. He confirmed that he had contacted the police, who responded to the complaint. However, the police took no action at the time.

I advised Mr. Porter to file a formal complaint at the Town Hall, but he seemed hesitant. As of today, I have not received a complaint form from Mr. Porter.
